

## STATE TESTED NURSING ASSISTANT AGREEMENT FORM

### **ATTENDANCE:**

IS MANDATORY!! No absences permitted due to short duration of class. If there are any days missed for whatever reason; you will be dropped from the Program and required to re-enroll to start. Also, tardiness (15 minutes or more) will result in student being sent home and dropped from the Program.

### **CLASS HOURS:**

Class is Monday through Thursday, 9:00am to 1:00pm x 16 days.

### **CLINICAL HOURS:**

Clinicals are usually held on the 5<sup>th</sup> week from 6:00am to 2:00pm. If there are more than 8 students, clinicals may be split into 2 groups. The final decision will be left to the Administrator or Instructor and is based on the overall needs of the class.

### **DISCLAIMER:**

Classes are scheduled and it is assumed they shall be carried out as such. However, there may be an occasion where illness or other emergencies might attribute to the untimely absence of the Class Instructor. In such instances, at the discretion of the School Administrator, class hours (or clinical hours) may be extended to compensate hours lost. Rarely is this a concern and we certainly do not want to create any type of schedule changes or hardships on our students, so please bear with us should we need to adjust the schedule.

Winter months can be unpredictable. When inclement weather conditions occur delays or/closings will be posted on our website class calendar; go to **www.pchslive.com**.

### **REQUIRED ATTIRE:**

Navy blue scrubs (top and bottom). Shoes must be tennis shoe type (NO CLOGS, OR OPEN TOE). **Uniforms are Mandatory and are to be worn to class and clinical sessions at all times.** Students who violate this policy will be sent home and dropped. All policies surrounding missed days will be applicable.

### **HEALTH SCREENING REQUIREMENTS:**

Each student must have a negative 1-step Mantoux (TB skin test) prior to attending clinical at the student's expense. We currently offer the TB testing at our location for \$30. You can get the TB done elsewhere. Upon registration you can download and print the Mantoux form <https://www.pchslive.com/HealthCertificateForm.pdf> to be filled out by the individual giving the test. If this requirement is not completed, you will not be permitted to attend the clinical portion of the program, therefore you will not receive a completion certificate nor will a refund of fees paid be issued. If you have already had a TB Test done, it must have been done within a 3 months' time to fulfill this requirement. A physical is also required prior to clinical. The physical can be as simple as a doctor's prescription pad with your Dr.'s signature and his agreement that you are physically able to attend an STNA class/clinical without any restrictions.

### **STUDENT CONDUCT PHILOSOPHY:**

- Students shall attend class on a regular basis and be in class on time.
- Students shall follow directives, directions, and procedures at all times.

### **STUDENT IDENTIFICATION (I.D.'s):**

Every student will be issued an identification card with his/her name. A student must have their I.D. card in their possession at all times while at school or at clinical. Failure to possess the I.D. for admission to a clinical event may result in the student not being admitted to the event. Students should report lost or stolen cards to the receptionist. The first lost/stolen card replacement is \$5.00. A second lost/stolen card has a \$10.00 replacement fee. No temporary Student I.D. card is available during the replacement time. A student who lends or uses another's I.D. card will be referred to the Student's Coordinator for disciplinary action.

### **THEFT/LOST AND STOLEN ITEMS:**

Any school books, equipment, or clothing items checked out to a student that are lost/stolen are the responsibility of the student and his/her parent/guardian and must be replaced/purchased at the current replacement cost. You have 2 years after your certification to sit for your state test.

### **TEXTBOOK:**

The school furnishes textbooks to all students on a lease basis. The textbook is leased in order to keep the cost of the program down.
