DISCLAIMER:

Classes are scheduled and it is assumed they shall be carried out as such. However, there may be an occasion where illness or other emergencies might attribute to the untimely absence of the Class Instructor. In such instances, at the discretion of the School Administrator, class hours (or clinical hours) may be extended to compensate hours lost. Rarely is this a concern and we certainly do not want to create any type of schedule changes or hardships on our students, so please bear with us should we need to adjust the schedule.
